

DR. RANJITSINH D. SOLANKI
(B.S.A.M., Herbal Oncologist)

Solankiz Health Care, The New Age Herbs

About us :

Dr Solankiz health Care is dream of visionary eminent researcher Dr Ranjitsinh Solanki , whose name is known in field of 'Botanical Drug development' for incurable disease management like Cancer, HIV, degenerative disease, Hormonal disorders and other incurable diseases '.

Dr Solanki is affiliated with world prestigious research institute of western country.

Our pathway :

Dr Solankiz health Care research team has been involved in conducting intensive research on the 'INDIAN SYSTEMS OF MEDICINE' in the light of modern pharmacological parameter as per the global standards set by the WHO & F.D.A.

We Modernize, Validate & Restructure age old empirical therapeutic formulation on base of Cellular and Modern Molecules Structure.

We successfully developed **Evidence based** new therapeutic formulation known as "Botanical Drug Product" which offers **Safety, Quality and Efficacy.**

We assure :

- **Dr Solankiz Health Care Commitment**
- **Safety, Quality and Efficacy.**
- **Batch to Batch Consistency.**
- **Compare each batch with quality standards to a solid reference point.**
- We are accredited **G.M.P.** pharmaceutical unit. We adopt rigid and specific processing rules with all modern sciences tools.
- **We assure our product always provide Consistent efficacy and health benefit proven in the clinical trails.**

Our some Quality step :

- The proper plant identification, finger print to standardization of raw materials.
- We have State-of-art laboratory equipment and instrument to ensure the Batch to Batch consistency of the raw materials.
- Following complex and precise manufacturing practices with modern biosciences tools.
- We have a huge plant data created by high through-put research bioinformatics search engine, which is sophisticated technology base on cellular and molecules biological activities that delivered with targeted well-researched form of therapy.
- We using rigorous **Quality Control** tool like **Chromatographic** finger printing, HPLC etc, that offer the consistency, efficacy & Quality with safe product.

Dr. Solanki

Cap. COLOVIN

Botanical name-Ingredients Contain / extract

Aegle marmelos Linn
Bambusa arundinacea Willd
Bombax malabaricum DC
Cateria laca
Cyperus rotundus Linn
Holarrhena antidysentrica Wall
Mesua ferrea auct Linn
Punica granatum Linn
Symplocos racemosa Roxb
Trachyspermum ammi Linn
Woodfordia fruticosa L. Kurz

Classical use

Prescribe for Diarrhoea, Dysentery, sprue, Mucus Colitis and Ulcerative colitis. Use for appetizer, toning up digestive systems, Colitis, prescribe poisonous bite, excessive fat, splenomegaly. Anorexia, intrinsic haemorrhage, inflammation.

Active Ingredients & Pharmacology

Contain - Coumarins-scoparone, alloimperatorin, Aegeline, Marmeline, Use for chronic Diarrhoea, dysentery, Intestinal ulcer, significant result again 'Ranikhet virus and intestinal parasites. Pharmacologically proved properties are anthelmintic, antiviral, anti diarrhoeal. 🍏 Cyanogenic glucoside, antibacterial, disorders of gallblader, menopause syndrom, debilitating condition. 🍏 Rotunol, mustacone. Alpha-Beta amyirin, Biflavonoids. 🍏 Alkaloids Granantin, punicalgin, pelletierine, gallic acid, punicafolin, tanins, use as anti diarrhoea. 🍏 Betulinic acid, Thymol is major contain. Prescribe for indigestion, amenorrhoea, diarrhoea, dysentery. 🍏 Polyphenols ellagic acid, exhibited **Anti tumor, Mucus colitis and Ulcerative colitis properties.**

Research Finding

- Herbs *Aegle marmelos* shows significant anti-inflammatory activity.
- *Cyperus rotundus* obtained A triterpenoid shows potent anti-inflammatory activity, which was found to be 8 times greater than that of hydrocortisone.

- Udupa S.L. Dept Biochemistry Manipal 1994
 - Haemostatic, Resolvent of obstruction, Cooling study IIM1976
 - Gupta M.B. Pharmac 1970

- Therapeutic use & Indications** :
- **Chronic dysentery, Irritable bowel syndrome, Mucous diarrhea, Ulcerative and Mucus colitis**

- Toxicity / Safety** :
- No adverse effects have been reported in the literature.
 - Its use in human since long time with safety.

- Dose** : 2 capsules daily or as prescribe by health provider.
Presentation : 60 capsules (jar)
